

## PRESS RELEASE

### PUMA LAUNCHES 93:20 MANCHESTER CITY PRE-MATCH JERSEY AND ULTRA FOOTBALL BOOTS TO CELEBRATE THE 10 YEAR ANNIVERSARY OF THE FAMOUS SERGIO AGÜERO GOAL

**Herzogenaurach, Germany, May 8<sup>th</sup>, 2022** — Global sports company PUMA and Manchester City have today unveiled a limited-edition 93:20 pre-match jersey and special-edition 93:20 ULTRA football boots to celebrate the 10-year anniversary of the legendary Sergio Agüero goal that will forever be a part of Manchester City's history.

The pre-match jersey features a white base with light blue hoops and navy and gold detailing. The iconic 93:20 goal is immortalized inside the hoops using historical footage of Sergio Agüero's late winner that captured the league title. Each image tells the story of the famous goal, embedded into the fabric of the jersey. Only 2012 limited-edition jerseys will be released to signify the year the goal was scored, with each jersey featuring a unique number located on the waistband and 93:20 sign-off on the neck. The pre-match jersey will debut on pitch prior to the Manchester City home league game against Newcastle United on Sunday May 8<sup>th</sup>.

PUMA has also paid tribute to the iconic goal with special-edition ULTRA football boots designed with the same color palette of the original PUMA v1.11 football boots that Sergio

Agüero was wearing when he scored that famous goal. Only 120 pairs of the limited-edition Nrgy Blue and Green Glare boots have been created in homage to the goal.

The upper of the 93:20 boot integrates the “Manchester City are still alive here” commentary, with custom 93:20 graphics on the outside of the boot. The footbed also features the famous “Agüerooooooooo!” line from the goal that will live on forever.

The 93:20 ULTRA 1.4 consists of ultra-lightweight MATRYXEVO technology combining technical Carbon yarns and transparent Mono yarns to create a devastating high-tech performance material. The upper is connected to an internal SPEEDCAGE for lightweight support and features a unique PEBA SpeedUnit outsole infused with PUMA running spike DNA.

“This is a great honor for me. I shared many incredible years at Manchester City, but the 93:20 goal was special. The atmosphere in the stadium, the comeback, the title, I have never experienced anything like it. I hope I made the Cityzens proud,” said Sergio Agüero. “I have been a PUMA ambassador for over 10 years so for them to create this special jersey and boot is a beautiful gesture that brings back so many emotions from that special day.”

Collect your own piece of history with the 93:20 Manchester City pre-match jersey available from May 13<sup>th</sup> at PUMA stores, PUMA .com, the City store at the Etihad Stadium, mancify.com/shop and at select retailers worldwide. The 93:20 ULTRA will be available from May 13<sup>th</sup> exclusively at the Etihad Stadium Store, mancify.com/shop, and Pro Direct Soccer.
