

## READY TO REPRESENT. PUMA UNVEILS BOLD NEW FEDERATION AWAY KITS CELEBRATING NATIONAL CULTURE AND DESIGN

**Herzogenaurach, Germany, August 29<sup>th</sup>, 2022** — Global sports company PUMA has today unveiled their 2022 national team Away kits. The bold new design language reinterprets national motifs from football, culture, and nature, bringing them together in ways that turn each jersey into a statement piece for the nation and the national team.

The new jerseys arrive in two iterations. The Authentic jersey features ULTRAWEAVE performance fabric and dryCELL sweat-wicking technology, making the jersey the lightest and most comfortable PUMA has ever made. When the game is on the line, they are engineered to make every second count. The Replica jersey is made with 100% recycled polyester and equipped with dryCELL sweat-wicking technology to keep you dry and comfortable throughout the 90 minutes and beyond – no matter the time, pitch, or place. Both versions of the jerseys are made with 100% recycled materials, excluding the trims and decorations as a step toward a better future.

### EUROPE

### **Iceland Away Kit**

Football and folklore are one and the same in the Iceland Away jersey. The graphic at the center pays homage to the four protectors of Iceland: the dragon, the bull, the griffin, and the giant, as seen on the national coat of arms and the national team emblem.

### Serbia Away Kit

The Eagles have landed. The white 2022 Serbia Away jersey features gold accents and bespoke front panel graphics to celebrate Serbia's footballing heritage. Central to the crest is a stylized reference to the coat of arms found at the Prince Mihailo Monument in Belgrade. Established in 1882, at the founding of the kingdom of Serbia, the coat of arms is incorporated into the crest to unite the team and the fans.
