STRIKE WITH STEALTH AS PUMA UNCAGES THE ECLIPSE PACK

Herzogenaurach, Germany – August 5, 2021 – Sports company PUMA has today unleashed an all-new Eclipse Pack to help you sneak past defenses and steal the show. The new pack features stealthy editions of the brand-new ULTRA 1.3 and the updated FUTURE 1.2 with sun blaze red detailing.

The trailblazing ULTRA 1.3 speed boot is the epitome of Faster Football, crafted to See Them Later with explosive straight-line speed. The upper features a re-engineered ultra-fast lightweight MATRYXEVO woven upper combining technical Carbon yarns and transparent Mono yarns for lightweight support. The upper integrates a specially developed SPEEDCAGE to create multilayered support for rapid acceleration making the ULTRA 1.3 even lighter than the previous edition.

Additional upgrades include a GripControl Pro skin that coats the entire upper – providing a texture for decisive command over the ball. The ULTRA also features an ultra-fast lightweight PEBA SpeedUnit outsole infused with running spike DNA for lightning-fast acceleration.

The FUTURE Z 1.2 has been engineered with zero compromises so you can defy every challenge on the pitch. The next generation FUTURE has been crafted to enhance the playing style of the world's most creative mavericks. The FUTURE Z 1.2 provides the ultimate fit and agility by fusing a mid-foot adaptive FUZIONFIT+ compression band to an asymmetrical Dynamic Motion System outsole for optimal lock-in and support to drive the opposition crazy. The upper is made

of an innovative knitted material coated with a thin layer of GripControl Pro to provide superior touch and ball control.

Catch them if you can. The PUMA Eclipse Pack featuring the trailblazing new ULTRA 1.3 and the ground-breaking FUTURE Z 1.2 is available from August 5th at PUMA.com, PUMA stores and select retailers worldwide.
