**Somerville, Massachusetts – September 26th, 2023** - Breanna Stewart continues to be a force of nature in her basketball career by clinching the prestigious 2023 WNBA Most Valuable Player (MVP) Award. The announcement comes as a testament to her outstanding performance throughout the season, as well as her unwavering commitment to the sport of basketball. This accolade makes Breanna Stewart, the first ever PUMA Hoops athlete to be awarded the MVP title of the year.

While Stewie is currently dominating on the court during the 2023 WNBA Playoffs, she has been an unstoppable force on the court throughout the 2023 WNBA season. Just this season, Stewie has received her second Commissioners Cup Championship, led the New York Liberty to a historic 32-win campaign, and become the first player in league history to average 23 points, 9 rebounds, and 3 assists during a single season. Stewie adds to her legacy, now holding the record for most points scored in a WNBA single season.

The PUMA Hoops Stewie 2 signature franchise is proud to provide the foundation and support upon which this generational player has stood throughout her historic season. The Stewie 2 silhouette celebrates her MVP victory and represents the different areas of her life that continue to drive her to be the force of nature she is.

Stewart's MVP win serves as a remarkable achievement in her career, solidifying her status as one of the WNBA's greatest talents.
